Blockhead Night

Express yourself. Get a box, cut out some eye holes, decorate like crazy and wear it on your head. Blockhead night at Pioneer Clubs! (May 21st)

Talent Show Program

We all know our Pioneer Clubs kids are talented, but I think we were all a little surprised at *how* talented they really are! We have kids that juggle, tumble through the air, write their own songs, choreograph and perform a dance, write exceptional mystery thrillers, jam on musical instruments, and belt out beautiful songs (a cappella, no less). Having a talent is one thing. Being brave enough to showcase it is quite another and there is no shortage of courage in our Club. Congratulations to all our performers on a wonderful event.

Pioneer Clubs, helping children follow Christ in every aspect of life.
